Ord 09-03	APPROVING THE ISSUANCE OF BONDS OF THE DEPARTMENT OF PUBLIC PARKS OF THE CITY OF BLOOMINGTON, INDIANA IN AN AMOUNT NOT TO EXCEED \$6,500,000 TO FINANCE ACQUISITION AND IMPROVEMENT OF CERTAIN PARK FACILITIES (SPORTSPLEX AT 1700 WEST BLOOMFIELD ROAD)	Bond	NO	3/25/09	5 (Wisler, Sandberg, Sturbaum, Satterfield, Mayer)-1 (Volan)-3 (Rollo, Ruff, Piedmont-Smith)	4/1/09	8-1 (Piedmont-Smith)	This ordinance takes the statutory steps necessary to authorize the purchase and renovation of the SportsPlex at 1700 West Bloomfield Road and the issuance of up to \$6.5 million in Parks District Revenue bonds to pay for the project. These steps involve approving three Board of Parks Commissioner (BPC) resolutions which include Res 09-02 (Declaratory Resolution), Res 09-03 (Confirmatory Resolution, and Res 09-04 (Bond Resolution). Together these resolutions find that after holding a legally advertised public hearing on March 11, 2009 to hear any remonstrance, the BPC found that it is necessary and of public utility and benefit to acquire and make certain improvements to the SportsPlex, which includes a 3-story sport facility and 10 acres of land. The resolutions then authorize the issuance of revenue bonds in an amount not to exceed \$6.5 million to cover the cost of acquiring, renovating and arranging the financing for the project at an interest rate not to exceed 6.5% and a period not to exceed 20 years and also authorize the Director of the Parks Department to take steps to complete the purchase.
Ord 09-04	TO AMEND TITLE 2 OF THE BLOOMINGTON MUNICIPAL CODE ENTITLED "ADMINISTRATION AND PERSONNEL" (Adding Chapter 2.29 Entitled "Green Building Program")	Title 2 Code Change	YES	3/11/09	6 (Rollo, Sandberg, Piedmont-Smith, Volan, Sturbaum, Ruff)-0-3 (Wisler, Mayer, Satterfield)	3/25/09	9-0	This ordinance is sponsored by Councilmembers Piedmont-Smith and Rollo and adds Chapter 2.29 "Green Building Program" to Title 2 "Administration and Personnel" of the Bloomington Municipal Code. The Green Building Program requires that all new construction and major renovation of occupiable City buildings be designed, contracted and built to achieve, at minimum, the U.S. Green Building Council's LEED® Silver level of certification. The ordinance also calls for a two-part evaluation of the City's existing building stock and calls upon the City to develop a schedule for retrofitting existing and subsequently-acquired buildings within ten years based on this evaluation. Note: This ordinance was revised subsequent to introduction to correct a formatting error in the definition of "Major Renovation."
	Amendment #1 to Ordinance 09-04	AMDMT	n/a	n/a	n/a	3/25/09	9-0	This amendment is sponsored by Councilmembers Piedmont-Smith, Rollo, Sturbaum and Mayer and allows for a transitioning in of the Phase II evaluation of existing buildings. Rather than requiring that Phase II for all existing buildings be completed by 2011, this provides that at least one building shall undergo Phase II analysis each year, beginning January 1, 2011. The amendment requires that Phase II for all buildings be completed by 2020. The amendment also eliminates the requirement that the City develop a 10-year schedule for bringing all buildings into LEED compliance and instead, requires that the City must: 1) register eligible buildings with the United States Green Building Council and 2) implement operational improvements and equipment upgrades necessary to obtain certification by 2022 subject to available funds. The City Administration endorses these changes. Lastly, the amendment makes a technical correction to the definition of "LEED" to make clear that that LEED offers four rating levels.

Ord 09-05	TO AMEND TITLE 4 OF THE BLOOMINGTON MUNICIPAL CODE ENTITLED "BUSINESS LICENSES AND REGULATIONS" Re: Replacing Section 4.04.110 (Lunch wagon) and Chapter 4.16 (Itinerant Merchants) with Chapter 4.16 (Itinerant Merchants, Solicitors, and Peddlers)	Title 4 Business License	YES	4/8/09	3-1-5	4/15/09	6-2 (Wisler, Ruff) Mayer absent	This ordinance amends Title 4 of the Bloomington Municipal Code entitled "Business Licenses and Regulations" by deleting the section on "Lunch wagons" (BMC 4.04.110) and the chapter on "Itinerant Merchants" (BMC 4.16) and replacing them with a new Chapter 4.16 entitled "Itinerant Merchants, Solicitors, and Peddlers." It requires potential vendors to apply for and obtain a license before conducting business in the City. Licensees are prohibited from conducting business in certain locations and are held to certain standards of conduct. Applicants and licensees whose license is denied, revoked or suspended and any person who is issued a citation may appeal that decision. <i>Note: On April 15, 2009, the Common Council adopted this ordinance as amended by Am 01 and Am 02.</i>
	Amendment #1 to Ordinance 09-05	AMDMT	n/a	n/a	n/a	4/15/09	7-0-1 (Volan) Mayer absent	Am 01 removed from the application procedures the requirement that the applicant: File a social security number; File statement of criminal convictions or a copy of a criminal history check and no longer made convictions of crimes a basis for denial of an application (but still made violations of the Chapter a discretionary basis for denial); or Provide a photograph that would be attached to the license. It also changed the revocation procedure to: Require city staff to contact licensees whose license was revoked either by phone or in person at the same time as the letter of revocation is mailed. Lastly, the changes make some minor corrections and changes in numbering elsewhere in the ordinance
	Amendment #2 to Ordinance 09-05	AMDMT	n/a	n/a	n/a	4/15/09	8-0 Mayer absent	Am 02 clarified that vendors who conduct business on private property are not prohibited by this ordinance from doing so within a block radius of special events. Those vendors, however, would still need to have written permission from the owner of the property who, in turn, would need to obtain a temporary use permit through the Planning Department
